Cook in You no longer need wear your-Comfort heat of an intensely hot kitch-en. You can cook in comfort.

Here is a stove that gives no outside heat. All its heat is concentrated at the burners. An intense blue flame (hotter than either white or red) is thrown upwards but not around. All the heat is utilized in cooking - none in outside heating.

immediately the stove is ready. Instantly an intense heat is projected upwards against the pot, pan, kettle or boiler, and yet there is no surrounding heat—no smell—no smoke.

Why? Because The New Perfection Oil Cook-Stove is scientifically and practically perfect. You cannot use too much wick—it is automatically controlled. You get the maximum heat -no smoke. The burner is simple. One wipe with a cloth cleans it -consequently there is no smell.

The New Perfection Oil Cook-Stove is wonderful for year-round use, but especially in summer. Its heat operates upward to pan, pot, or kettle, but not beyond or around. It is useless

for heating a room.

It has a Cabinet Tep with shelf for keeping plates and food hot. It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet. JUVENILE BURGLARS.

Elev B. Runyon, 18 years old, of Richmond, and Julian D. Wichard, 17 years old, of Atlanta, Ga., were arrested by the Washington police early yesterday morning. It is alleged that they had broken into the office of a physician in the Cecil Apartment House, Fifteenth and L streets, northwest. At the time of their arrest the boys told the police they were looking for another apartment which they might enter and rob,

When the police questioned them the lads said they came to Washington from Atlanta. Runyon boasts of having had a successful career as a burglar, furnishing the money and implements required for the burglars trade. Their first work in Washington was entrance into the residence of Hon. Edward A. Moseley, secretary to the Interstate Commerce Commission, on Tuesday night. They got \$29 and several articles of small value in Mr. Mose-

y's home. The entrance into the apartment at the Cecil yesterday morning was their next task. When it brought nothing of profit they planned another burglary. t is said. The flashing of their bullseye lantern revealed them to policemen, who promptly arrested the youthful housebreakers. They were fully equipped with a burglar's kit and reolvers.

Runyon was delighted to recoun stories of his boldness in crime. He said he learned the burglar's profession rom a long-term prisoner in the Richmond penitentiary, the police say, and that he had had criminal experience in many parts of the United

He said his mother is Mrs. Emily E C. Runyon, a physician, of Richmond. When first examined by the police, Wichard said his name was Robert C. Davis, but later he admitted that Wichard was his real name. He told the police that his father was formerly the publisher of several newspapers in North Carolina.
